ly/2JjkLolAbout This GameSusan Ashley is a psychologist in a private company This company has a much more abnormal patient than any other patient.. In the game you are just searching for items that will aid you in escaping from a monster(s) that walks one pathway, and are not aggressive whatsoever.. I was really excited to play it because the concept is really cool I dont feel that it is a BAD game, but whether or not it was worth the price is debatable.
